

A vibrant, stylized illustration of a pond scene. The background is a deep teal color, filled with numerous small, golden, star-like sparkles. In the center, a bright yellow crescent moon is visible. Below the moon, a young girl with long, flowing red hair is sitting on a large green lily pad. She is wearing a yellow dress and has a yellow dog sitting next to her. The pond is filled with several large, colorful koi fish in shades of orange, yellow, and red, swimming among large green lily pads. In the foreground and background, there are several large, detailed lotus flowers in various colors, including pink, orange, and red. The overall style is whimsical and artistic, with a rich color palette and a sense of magical atmosphere.
